

# Notice of Colorado Gymnastics Recognition of USA GYM JO Level 2 & Colorado Guidelines for Awards

---

June 2018

Attention: All Clubs

Starting with the 2018 fall compulsory season the state of Colorado will now officially recognize USA Gymnastics JO Level 2 program for competitions. The information below outlines the State Administrative Committee guidelines for awards and competitions for this program. The committee believes that by incorporating the Level 2 program into the compulsory competition season it will increase the number of athletes participating in the JO program, giving host clubs the opportunity for more sessions, and allow more opportunities for judges to judge in the compulsory season.

Level 2 will be an achievement only program as it is fully meant to be a stepping stone into the competitive compulsory program. Achievement only means that all events including all around recognition will receive a ribbon based on a score range. The score range is as outlined below and it is recommended that if possible scores are not flashed, rather the color the gymnast receives be shown. There are no team awards and there will be no state meet competition. There will be an end of season celebration meet in conjunction with the level 5 state championships.

Blue Ribbon	Event 8.5 or higher	AA 4.00 or higher
Red Ribbon	Event 7.5 – 8.475	AA 30 .00– 33.975
White Ribbon	Event Below 7.5	AA Below a 30.00

Remember gymnasts must be a minimum of 5 years old to participate in the level 2 program, and have a minimum introductory USA Gymnastics membership. We hope that many clubs take the opportunity to increase overall participation in competitive gymnastics in Colorado and participate in the level 2 program. If you have any questions about this program please feel free to contact a member of the state administrative committee.

Sincerely,  
Colorado State Administrative Committee
