Registration/League Fees \$25 per club

Please be sure to turn your League Fee if you have not already done so, as these were due back in March. League fees will be \$25.00 per club. All checks and registration forms are to be sent to Mike Flower at Encore Gymnastics: 8160 Blakeland Dr Unit D Littleton, CO 80125. **All checks should be made payable to "USAG-Colorado".**

League fees will run July-June (same schedule as USAG). This will become effective for the 2013 season and fees will be due in July 2012 for the 2012-2013 competitive year. For 2012 all fees and registration will be due March 2012 (this will cover the 2011-2012 season)

Checks have not been cashed because of USAG and account set up. Payments have been received.

We are Looking for Judges!

We are always looking for good judges, if you are interested in judging for COUSAG and Eagles/Xcel, please contact Cindy Miyake at ivangivan@yahoo.com

Judges Mileage

After a review on judges' mileage it was decided that the \$.38 a mile rate was not an adequate rate to pay our judges. It was decided that for the 2013 season and moving forward the Eagles/Xcel judges would be compensated mileage based on the IRS rates.

We are encouraging Meet Directors to pay out the \$.55 a mile for the 2012 season if your budget allows for it.

Program Changes in Compliance with USAG JO Changes

Please note that the changes that will take place for USAG JO program in the 2013 season will not take place for the Eagles/Xcel league until the 2014 competitive year. We will note changes closer to that time. For now, any program changes that need to be made will be done so on an as needed basis up until the 2014 Competitive Season.
