Awards at State

Please note that we have changed the format for awards at state. Athletes will no longer be receiving ribbons at their events for participation nor will they be receiving medals. Instead we have opted to purchase each athlete competing a plaque and they will receive a insert for each event based on placement.

Event Specialists

For the 2012 season it was decided for those athletes who had qualified on all four events as an event specialist but had not qualified as an All Around athlete, will be allowed to compete as an All Around athlete. We will be reviewing this at the state meeting.

Proposal to be voted on

Please review the proposal to be voted on at the state meet on June 22, 2012. It is attached to this email.

Advisor Panel Nominations

We are taking nominations for the Eagles/Xcel Advisor Board. Please turn in all nominations to Amanda Webb awebb@peakathletics.net no later than June 15, 2012. These nominations will be collected and voted on at the state meeting on June 22, 2012. Please see the Eagles/Xcel Organizational chart to see descriptions of each Advisor's roll.

Registration/League Fees

Please be sure to turn your League Fee if you have not already done so, as these were due back in March. League fees will be \$25.00 per club. All checks and registration forms are to be sent to Mike Flower at Encore Gymnastics: 8160 Blakeland Dr Unit D Littleton, CO 80125. All checks should be made payable to "USAG-Colorado"

League fees will run July-June (same schedule as USAG). This will become effective for the 2013 season and fees will be due in July 2012 for the 2012-2013 competitive year. For 2012 all fees and registration will be due March 2012 (this will cover the 2011-2012 season)

Checks have not been cashed because of USAG and account set up. Payments have been received.

We are Looking for Judges!

We are always looking for good judges, if you are interested in judging for COUSAG and Eagles/Xcel, please contact Cindy Miyake at ivangivan@yahoo.com
